## Ross Lambert

Ross spoke so well and covered a broad range of topics, and still had some topics to cover, a decision was made to invite him to complete his presentation on another date very soon.

A full report will be issued following the final presentation.

## From Pat Skellet

Did enjoy reading the latest KOONGGA. As it happens I worked with Tom Sweeney for many years at the RIDBC and you may recall that Tom and wife, Joy, sang at my Changeover Dinner at Avondale back in 2000. I also utilised his singing talents at a dinner I hosted for the wives of Club Presidents back in 1994 when Ivan was District Governor. I would like to have come over to hear him speak but such was not to be. I find it difficult to get out and about, particularly at night, so must content myself with reading about it all.

Congratulations to the Club on the splendid organisation for the Cycle Classic. Typical of Ku-ring-gai to do things so well. Looks like it will be on the Calendar for some years to come.  
Cheers - PatS

## Computer bug—Linda Lam Rolfs

This can be a potential problems for PC owners. Please forward to our club members and families and friends. It's worth to check it out before it's too late.  
Linda

This relates to the DNS Changer Trojan.  
Ten thousand Australian internet users are among four million worldwide who face a total internet blackout from July 9 thanks to a malicious piece of software that infected their computers without their knowledge.  
That is the warning to Australian internet users from the Australian Communications and Media Authority, which today issued a statement appealing to internet users to check if they were infected.

## MUNA

"Two students from PLC, Christine Wang and Elissa Zhang, will be speaking briefly about their experience at MUNA at our meeting tonight, 2 April."

## Splash for Cash

Some of you will remember Koz Yamada, our sponsored candidate to RYLA this year, who came and talked to our Club recently. Koz is a keen member of the new Lower North Shore Rotaract Club and is helping to organise the Lower North Shore "Splash for Cash" event to be run on 22 April, from 1-4.30pm at Mosman Swim Centre. Splash for Cash is an annual swimathon run in various locations and raises funds for the Royal Institute for Deaf and Blind Children. Koz and her club are seeking our support in several ways – donating prizes for their raffle, sponsoring some of the participants or even swimming ourselves! Can you help? If so, please contact Koz directly on 0401 219 261 or email [kozue.yamada@gmail.com](mailto:kozue.yamada@gmail.com) or call Joy Newling on 9487 2338."

## From Graham Timms in Spain

The internet connection remains as uncertain as ever - apparently about five families share one dedicated wifi which collapses if more than three are on it at any one time so I'm writing this at 8.30am Spanish time when everyone is still sleeping off the previous night.

We managed to retrieve Koongga - fantastic result and comments seconded by my son who said it was the best organised he had ever been on - took him 2h30 to do the 50k.

The Spanish have just called a general strike so it looks like we could be here for some time - damn! Last night we went to the local bar (one of fifteen) and had tappas followed by a prawn paella and stewed oxtails and a local fruit ice cream for 10 Euros a head - no wonder bankrupt pms come here.

Cheers GT

## Rasma—Bobbin Head Cycle Classic

### From Rasma

Congratulations and well done!

I had text messages starting at 0630 Adelaide time yesterday and photo's of the boys ready to ride.

Followed up by text, photo's and phone calls to say how much they enjoyed the BHCC.

It is officially on their calendar for next year and they feel others will follow.

Comments were:

- Really well organised
- good run
- good food
- very happy with marshals and directions
- they were even happy with the way police herded them together when needed.
- These boys did the 100km ride - lunatics!
- I'm glad your headaches and hard work paid off.
- Hope you are all having a really big drink tonight - you all deserve it.

amazing Ku ring gai and Turramurra team effort.

Let me know the final \$\$ tally.

absolutely brilliant everyone

keep smiling Rasma
