It soon emerged that their 58 staff must be very busy providing all the services they offer in their four branches, Gordon, Lindfield, St Ives and Wahroonga. Also a mobile service.

Their services are so comprehensive I suggest a look at their WEB to appreciate the enormity

I have listed a very small section of some of their e-Service

St Ives Food and Wine Festival

Food and Wine Festival Update

Operation COUNT DOWN till 5 March our major fund-raising event.

Raffle tickets have been distributed and members are asked to sell them as quickly as possible as the money generated from sale of raffle tickets is an important part of this event.

As we all know the success of this event is largely dependent on us getting as many people along on the day as possible. In addition to the usual street banners, distribution of flyers and bookmarks there will also be newspaper articles and radio interviews to promote the event our members become our best advertising technique.

Rotary Corporate Golf Day at Riverside Oaks

Australian Rotary Health is seeking funds to raise for Mental Health Research. Last year Australian Rotary Health received 370 applications for Mental Health grants in our Australian Universities and Institutes, but could only fund 11 new grants with the donations received. **We are trying to turn this around in 2017!**

Your partnership with Australian Rotary Health will raise the awareness of mental health issues and important revenue for mental health research.

Look forward to another 'Challenge Cup' on Wednesday 22 February 2017. Make the diary note and join us! Have your banner flying for Mental Health Research? Plenty of prizes and a fun day of serious golf!

If I can be of further assistance, please contact me on 02 8837 1900 or Mobile 0412 229 994. Home World Builders are supporting us again this year.
