Michael asked us to consider the Classifications we would like to be represented in our club

We are sending letters to Business people in the Gordon Pymble area inviting members to a Rotary meeting with a following phone up to confirm the invitation

ROMAC's Mission

"To provide medical treatment for children from developing countries in the form of life saving and/or dignity restoring surgery not accessible to them in their home country."

There are children in our world who are forgotten.

Children whom no one wants to see.

Children who have no chance of survival.

We call them 'The Forgotten Children.'

These children are from humble backgrounds and live in remote areas.

Some are shunned by their local communities.

A few have no choice but to beg on the streets.

Too many would have died.

A fortunate few will be saved by caring Rotarians just like you.

ROMAC proudly gives these children the opportunity of a new life

Since ROMAC began in 1988, we have treated over 300 deserving and underprivileged children.

In 2007/08 we treated 47 children.

In 2008/09 we treated 31 children.

In 2009/10 we treated 30 children

ROMAC Philip Smith

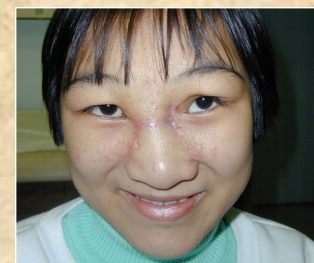

13 year old Filipino Rey

Born with a severely disfigured face he had great difficulty eating and speaking. Rey's 13 hours of surgery was performed by a group of caring specialists at Brisbane's Wesley Hospital, at no cost. For the first time in his life, he can now face the world with confidence

Poi was kept hidden from society because of her brain herniation.

Her facial restoration was a complex operation, involving the reconstruction of her skull, and the re-centering of her eyes.

4 year old Matthew had a serious heart valve problem that meant that he could have dropped dead at any moment.

He underwent open heart surgery at the Sydney Children's Hospital Randwick

Generous surgeons always donate their time.

Many medical support staff often donate their time. Suppliers often donate medical supplies. Rotarian volunteers always donate their time.

Hospitals sometimes don't charge. ROMAC gives you more 'bang for your buck' than probably 99% of all charities

A club donation of \$500, \$1,000, \$2,500 or more if you can, will make a world of difference to a child. A personal donation of \$2 or more is tax deductible. Dedicate your next fund raiser to ROMAC. Tell your friends about ROMAC

Volunteers for Lifeline Book Fair

Lifeline Harbour to Hawkesbury
West Lindfield Bookfair Committee
20 February 2012

Dear Voluntary Helpers,

As you may remember, Lifeline's big **Annual Bookfair** in **Wahroonga** is our major fundraiser for the year. We want to thank you for your support over past years. Lifeline receives no regular government funding and relies heavily on the success of this event to continue to provide the essential services that they offer to the community.

We realize that **your annual planning** starts now, and we want to alert all our helpers to the dates of our event, and when we will need helpers.

Volunteers start in January, collecting, sorting, pricing and packing books in readiness for the opening at Knox Grammar School in the John Williams Memorial Hall from **Thursday 12 July 2012 at 9.00 am to Sunday 15 July 2012, finishing at 5.00 pm.**

We have a huge task to move all the stock from our **book depot at West Lindfield**, in the old Scout Hall at the corner of Polding and Ignatius Roads, up to Knox, and take the left-overs back again at the end of the Fair. We hope that you will be able to help us again this year.

This year it will proceed like this:

- **Saturday 7 July 2012, at Lindfield, from 7.30 am to about 11.00 am** to load boxes into Partytime Hire trucks and SOS removal vans **using special conveyors.**

- **Saturday 7 July 2012, at Wahroonga from 9.30 am until early afternoon** to help unload boxes of books on to trestles, again, using conveyors where possible.

N.B: Refreshments will be provided both at Lindfield and at Wahroonga

Sunday 17 July from 5.00 pm until about 8.00 pm.

Wahroonga - Loading the big truck with boxes to be returned to Lindfield.

- **Loading trestles and frames into vans**

Lindfield - Unloading trestles and frames into Scouthall basement.

Wahroonga - Load all miscellaneous objects into van, and help unload at Lindfield.

- **Restore hall ready for school next day**

N.B: Refreshments will be provided afterwards.

Monday 18 July, 7.30 am, help needed to unload removalist van of left-over books at Lindfield. (Again, conveyors used to make the job easy.)

Volunteers for Lifeline Book Fair

I will be in touch by telephone, to find out if you can help on any of these dates along with other volunteers from Lifeline, Lifeline Board, Rotary, Defence, and Scouting. If we can't make a decision over the phone, I would appreciate it if you could **let me know no later than Monday 14 June 2 2011, when and how many of you will be coming**, so that I can finalise my lists of helpers. My email is dnpbarnett2121@bigpond.com, and my phone is 9144 2988. I was delighted to meet you all last year, and hope to see you again, healthy and happy, at this year's event.

Yours sincerely, Patricia Barnett
Chairman LINDFIELD BOOKFAIR COMMITTEE
