Rotary Awareness Night

Rotary awareness night is April 22

SBS Documentary

<http://www.sbs.com.au/documentary/program/1166>

This programme is really worth recommending to the club through Koonga. It follows the team administering the Sabin polio vaccine in remote areas in India and Nepal. It is really a pity Pam Pritchard did not refer to the programme last Monday night as it would have had good impact following her talk. The second show this week follows Ewan McGregor and team take the vaccine up the Congo. Although Rotary does not get a mention in the programme, it certainly showed how the vaccine is distributed.

Cheers, Ted Price
