This Week

EaglesRAPS

Last Week

Forum, Induction and 2013-14 plan

Gary Dawson

Roger inducted Gary Dawson as a new member to our club.

Gary's son was selected as a nominee to the Summer Science School and his spoke very eloquently to our club.

Gary immediately volunteered to phone some business people on the outstanding list for RAN

Chris Hoch

Chris expressed his thanks to members who assisted with the Red Shield Appeal.

Most groups collected approx \$800 to \$1000 the final total will be available during the week

Michael Tyler

Michael reported on RAN and advised we have 5 acceptances to date

Tony McClelland plan 2014

The focus for the year will be
Membership
BHCC
Interesting and satisfying club
Less formality
Choosing best charity for donations
EaglesRAPS for BHCC?
Review RAN suggestions

Vacant positions and assistance required please

- Bulletin editor - experience with Microsoft Publisher required
- President elect required
- Guest speaker organiser
 - July/Dec 5
 - Jan/June 6
- Initiatives for membership – target 50
- Ideas to make club more viable.

A proposed calendar for the year has been circulated to members and I have received feedback. As a consequence there will be fewer Restaurant nights, and fewer evenings where the members sit in their avenue of service, also, these evenings will be combined with Forums. I have also received recommendations for guest speakers.

YOUTH INSEARCH

Rotary Club of Ku-ring-gai
PO Box 117
Gordon NSW 2072

Dear Rotary Club of Ku-ring-gai,
I would like to sincerely thank you for your most generous donation of \$250.00 on 16th April 2013.

Please find your official receipt attached.

Your donation sends a message of encouragement and hope to our organisation, and inspires us to achieve even more.

Our work can only continue as a result of donations such as yours, and sadly the desperate need for our program remains.

We held seven programs in the second half of 2012, with youth suicide, drug and alcohol abuse being major issues.

I'm pleased to report that as a result of these programs, after attending their first camp, 71% of young people who had been suicidal were no longer suicidal, and 67% of those with drug and alcohol problems felt they had been helped to overcome them. After attending subsequent programs, we found that an incredible 100% who had been suicidal were no longer suicidal and 70% who had used drugs had successfully decreased or entirely stopped their usage of drugs.

We have 17 programs scheduled for 2013, and hope to turn many more young lives around.

I will be sure to keep you updated on our work during the year.

I thank you once again for your most generous and crucial support.

Kind regards,
Heath Ducker
